Statement of Learning Objectives

As participants of this CME activity, learners will:

- Summarize approaches to the diagnosis and treatment of select dermatologic diseases based upon current evidence-based data.
- Recall important factors in the safe use of therapeutics in dermatology during pregnancy.
- Explain the latest advances in body contouring and fillers.
- Describe the pathophysiology of the hormonal influences in acne and rational therapeutic management in such conditions.
- Review the latest understanding in the management of vulvar dermatoses.
- Describe the latest advances in the nonsurgical treatment of cutaneous malignancy.
- Assess the ability to differentiate common mimickers in dermatopathology.
- Define and develop approaches to common but complex surgical situations.
- Explain and review the evaluation and management of androgenetic alopecia.
- Identify uncommon pediatric dermatology presentations.
- Review the diagnosis and management of pediatric dermatology emergencies.
- Explain the newer approaches and medical managements used for atopic dermatitis.
- Describe the controversies in understanding and managing dysplastic nevi.
- Explain innovative approaches to the management of high-risk skin cancer patients.
- Explain novel therapies for vitiligo.
- Describe new approaches to management of pruritus.
- Explain about the latest advances in advanced melanoma therapy.
- Assess the ability to approach and treat nail disorders.
- Review the latest information on allergic contact dermatitis.

THE MERITAGE RESORT & SPA
Napa, California | June 16-18, 2017

Accreditation Statement: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Medical Education Resources (MER) and the California Society of Dermatology & Dermatologic Surgery. MER is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation: Medical Education Resources designates this live activity for a maximum of 14 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of Conflicts of Interest: It is the policy of Medical Education Resources to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a continuing education activity.

Needs Assessment: The 2017 CalDerm NorCal Conference is designed to meet the evolving educational needs of board certified dermatologists, dermatologic surgeons and allied health professionals who practice primarily in the state of California. This activity has been designed to meet the educational needs of approximately 150 dermatology physicians.
